GENERAL SALES CONDITIONS

1. Only our own sales conditions are applicable, to the exclusion of the clauses and conditions on letters or documents of our customers. The placing of an order automatically presumes the consent of the customer regarding our sales conditions.
2. The liability for the shipped goods is always to the account of the buyer. Once the order has been confirmed, the buyer bears the risk of damage, destruction and loss. In case of transport damage, defects or non-conform deliveries, complaints will only be accepted if we are informed about them by registered letter within 5 days of delivery. Any other form of protest shall not be considered.
3. The delivery terms given by us are purely informative and any eventual delay in delivery will not result in any form of compensation, nor in annulment of the contract. If the delivery is hindered by force majeure or is extremely affected, the seller has the right to adjust the agreement to the circumstances, or to break the contract. The buyer explicitly renounces any right to compensation.
4. Barring any other written agreement, every contract is entered with cash payment at our registered office, without discount. All encashment and protest charges for bills of exchange are to the account of the buyer. The drawing of a bill of exchange never counts as novation.
5. If Vincent Sheppard is obliged to demand payment by registered mail, administrative expenses of € 25 will be charged.
6. In case of complete or partial non-payment at the due date the amount of the invoices shall legally and without any previous proof of default be increased with:
 - An annuity of 12% from the due date of the invoices in question.
 - Fixed compensation to the extent of 10%, with a minimum of € 125 and a maximum of € 2.000, even if respite has been given.
7. Non-payment of an invoice at the due date implies that all due invoices are on call. Any kind of complaint cannot be called upon by the buyer as a reason for suspension or postponement of payment.
8. In all cases, our liability is restricted to the purchase price of the supplied goods. The parties explicitly agree that any other damage is excluded.
9. Legal relations between Vincent Sheppard and the buyer are governed by Belgian law. In the event of legal proceedings, the courts of Kortrijk have sole jurisdiction.
10. As long as the supplied goods are not paid for, they remain the property of the seller. The buyer commits himself not to sell the goods to a third party nor to apply them as security as long as they are the property of the seller. If this prohibition is not observed, the buyer shall be charged with a fixed compensation of 50% of the selling price. If the goods are then sold, the resulting selling price shall be considered instead of the supplied goods.

PROTECTIVE COVERS

In order to protect your furniture and keep maintenance minimal, we have developed special protective covers. Vincent Sheppard's protective covers are tailored to fit perfectly over their corresponding products and feature elastic straps for secure coverage.

The covers are made of 100% polyurethane and have welded, not stitched seams. Consequently, the covers are 100% waterproof. Because the fabric is breathable, it prevents mould and mildew forming on your furniture.

Clean your covers with a solution of warm water and mild soap. Allow them to air dry.

Make sure your furniture and cushions are dry before covering them!
